ASSESSMENT SERVICES

We're on the Register of Apprentice Assessment Organisations (RoAAo) and are applying to offer end-point assessments for standards in our core sectors as they become available.

By choosing EAL as your assessment organisation you'll benefit from:

- ✓ Unrivalled support and expertise from end-point assessment experts who are time served in our core sectors.
- ✓ Wealth of expertise in quality assuring delivery and assessment, that builds on our unique understanding of industry skills needs.
- ✓ Flexible and responsive solutions-based service, with the first rate level of customer service that EAL is renowned for.

Be extraordinary... together

Celebrating 25 Years of Excellence
and Achievements in Learning

The specialist awarding and skills partner of choice for the advanced manufacturing, engineering and building services sectors

- ✓ End-to-end apprenticeship levy support
- ✓ Developing new apprenticeship standards
- ✓ Professional and dedicated industry Quality Assurance
- ✓ Specialist assessment services including End Point Assessment
- ✓ Comprehensive range of training and development solutions
- ✓ Widest available portfolio of industry recognised qualifications
- ✓ Recognised by UK and international employers
- ✓ Excellent customer service
